

Privacy Policy

Effective date: 18 March 2026

This Privacy Policy explains how **Eldryn.ai** collects and uses personal data when you use this website or submit a request for a call.

1. Who we are

Eldryn.ai ("we", "us", or "our") operates this website. For privacy questions or requests, contact us at privacy@eldryn.ai.

2. Personal data we collect

If you request a call through the website, we collect the information you provide in the form: your name, phone number, and company name. We may also process limited technical data needed to operate and secure the site.

3. How we use your data

We use your data to respond to your request, contact you about your inquiry, provide information about Eldryn.ai, operate the website, and protect it against abuse or misuse.

4. Legal bases

We process your data to take steps at your request before a potential business relationship is established and, where relevant, for our legitimate interests in operating, securing, and managing the website and inbound inquiries.

5. Sharing of data

We may share data with trusted service providers that help us host the website, process form submissions, or deliver email. They may process personal data only as needed to provide those services to us.

6. Retention

We keep personal data only for as long as necessary to handle your inquiry and related follow-up, unless a longer retention period is required by law or needed to establish, exercise, or defend legal claims.

7. Your rights

Depending on the laws that apply to you, you may have the right to request access to your personal data, correction or deletion of your data, restriction of processing, objection to processing, and data portability. You may also lodge a complaint with the competent data protection authority.

8. Contact

For privacy-related questions, contact: privacy@eldryn.ai.
